Eye opening flavor at every level of low tar.

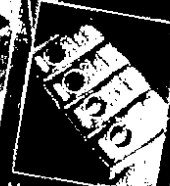

A hands-on favorite.

Get your morning filling in a mug like this, and savor the smooth, rich flavor of our new, lower tar, lower nicotine cigarettes. You can have your fill, your hands on a set of two for just 80 packs LPT's.

A toasty bathrobe.

One of these days, it's going to dawn on you that there's no better morningwear than a plush, soft, warm bathrobe like this. Get one for just 80 packs LPT's. Or, get a set of two for just 160 packs LPT's.

Morning has its perks.

Time for yourself. The morning. Your laughter, your And coffee, vanilla almond Chocolate Raspberry, Irish Cream and Honeydew. Get regular or decaffeinated for just 80 packs LPT's.
